About Us

We are a specialized wood technology manufacturing, installation & consulting company.

We help organisations and individuals maximise value from investments in wood furnishing and fittings by providing a range of services to the highest professional standards.

We have a broad customer base which include the corporate, residential, hospitality, administrative, diplomatic, and recreational entities.

Mission Statement

To deliver finishing solutions that are repeatedly pleasing to the psyche

History

WOOD-ET AL was incorporated in 2002 as an Integrated Wood Product Company.

Our factory is located at New Nyanya along Abuja-Nassarawa express way and have an outlet in Wuse II – Abuja.

The company is a positive cash flow organization and has experienced tremendous growth within the last fourteen years.

Our efficient supply chain and partnership with major international producers of quality materials ensures our ability to increase production capacity to meet increasing demand of our products.

Core Values

WOOD ET-AL is committed to satisfying customers by:

Understanding their expectations and ensure that we fulfil our commitments to meeting them.

Guaranteeing their satisfaction. We consider our reputation to be our greatest asset and realize that it lives in the experience of our customers.

Building lasting relationships with our customer base which includes leading international and local organizations.

Offering quality solutions at affordable prices.
